

STAKEHOLDER CENTER WORKSHOPS

10:00 am – 12:15 pm

All sessions will take place on conference level.

Each of the five Stakeholder Centers will host a workshop, and repeat the content during each 60-minute segment. The topics will focus on interests and priorities of each Center's target audience. Participants should choose to attend a workshop during Track A (10:00-11:00 am) and Track B (11:15 am – 12:15 pm).

Advocacy & Public Policy “Bridging the Gap: The Alignment of State and Federal Health Initiatives”

LOCATION: OLD GEORGETOWN

This session will include an expert panel, representing a system-wide perspective on federal health reform programs and their implications for states and local communities. Panelists will help identify challenges, models, and best practices that will support local health transformation through innovative clinical and financial strategies.

SPEAKERS:

Bruce Bagley, MD

Interim President & CEO, TransforMED

Shari Erickson

Vice President, Governmental and Regulatory Affairs, American College of Physicians, *Moderator, Center Co-Chair

Lt. Governor Elizabeth Roberts
