ARE YOU READY FOR MAJOR HEALTHCARE CHANGES COMING SOON TO CMS?

Join 11,500 of your peers and become a member of the Great Lakes Practice Transformation Network (GLPTN)

The GLPTN is a groundbreaking new collaboration designed to empower providers with information and support to transform their practices to deliver better health and better care at a lower cost. We offer a range of highly customized, flexible services, including:

- **Implementation Science** – adopting evidence-based practices into routine care by personalizing the evidence to each clinician’s local environment
- **High-reliability practices** which consist of Lean and Six Sigma
- **Personalized population health** management
- **Data-driven, informed decision-making**, including MU, PQRS, VBP, and MIPS

Gain personalized access to faculty experts in specialties relevant to you to adopt cutting-edge best practices.

We run on your schedule, not ours.
