PCPCC'S ANNUAL BARBARA STARFIELD AWARD

Recognizing excellence in advancing the medical home and person-focused care.

The PCPCC established the Barbara Starfield Award in 2012 to honor Dr. Starfield's decades of leadership and advocacy for primary care and its critical role in transforming the health care system. The first award was given to Dr. Starfield posthumously in April 2012, recognizing her enduring commitment to the philosophy that all individuals should receive comprehensive, coordinated, person-focused care. The award is presented annually to an individual or organization that demonstrates exceptional work toward advancing the goals of the **patient-centered medical home**, and a strong commitment to **person-focused care**.

In 2014, the Barbara Starfield Award will be presented during an evening reception on **Thursday, November 13th from 6:00 PM to 8:00 PM**.
